Why INMEX China 2018?

INMEX China is coming back again for its 8th edition, featuring even a greater range of cutting-edge marine technologies and equipment, presented by both international and local exhibitors.

INMEX China is the **largest and most established international maritime event in the South China Sea region**, providing industry players and leading brands to showcase their latest marine products, services and technology, as well as the **key meeting point** for maritime industry leaders to explore new business opportunities in Asia.

This biennial maritime event is the ideal business platform for you to:

- Meet key buyers and decision makers internationally and locally
- Gain brand equity
- Engage in exclusive networking opportunities with existing and potential customers
- Gain business insights on the growing industry through our shipyard visits and seminars.

Over 20 countries

11,720 quality trade visitors

572 Companies

The Team Norway pavilion

The Team Norway Pavilion will appear in a **unique design** that highlights our companies' connection to each other and our country. This **strengthens our brands** and **draws attention** from media and government officials. We also provide **room for individual profiling** of each stand, which can be coordinated with our stand contractor.
